WANTED: AUDI CORES

We Pay \$100 Each Plus Shipping *

All cores must be in rebuildable condition, no broken/bent struts.

Any electrical plugs/wiring harnesses must be intact.

Note: The label has to have the "S/L" or "S8" to know it's a sport model like below. If the label has "N/L" for normal we cant use it.

**2004-10 AUDI A8
W/ Sport Suspension**

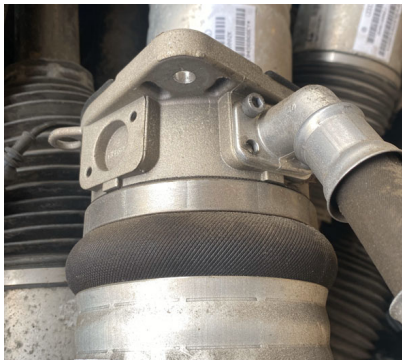

&

**2007-10 Audi S8
(D3 Chassis)**

Rear Right Only

\$100 ea.

To tell the right side that we want from the left that we don't need is fairly easy. Looking at the top of the strut, the reservoir, or the hole where the reservoir was, will be on the right side as pictured below. Right now we don't need any of the left side cores. Note we don't need the reservoir to be attached, we can still use it if the reservoir is gone.
