

# Technical Service Bulletin

## Electronic Stabilizer Bar Installation Notices

### NOTICE

#### DRS CLEANLINESS CAUTION

Dynamic Response System (DRS) components are manufactured to precise tolerances. Keep all work areas and components clean, and immediately install blanking plugs in any open lines or orifices to prevent foreign matter ingress and system damage.

#### SYSTEM BLEEDING REQUIRED

After installation, you must bleed the DR system according to the manufacturer's instructions to eliminate any air that enters the system when opened. Scan the QR below to view 11-TSB-DRS-Bleeding.
